YOUPUBLISH

www.you-publish.com

YOUPublish turns any digital content into a ready-to-sell dynamic e-book. On any distributing platform.

By automating the productization of content, YOUPublish expands the market, brand exposure and influence for publishers & websites, forward looking companies, and bloggers, while simultaneously providing a previously untapped revenue source.

YOUPublish wants to become the SaaS utility for the content industry, monetizing these assets with a suite of digital media: **The YouTube of digital text.**
